SUBJECT : Durham Marriott Hotel Royal County – Deal Direct Blinds
DATE : 7th October 2011

I had the pleasure of dealing with Deal Direct Blinds recently during an office upgrade, where 3 of our offices required replacement blinds installed.

Their service was impeccable at every stage of the project, from the first call, the measuring of the blinds, quotation, installation and after care. They kept me in the loop of delivery times and installation dates throughout.

The cost was second to none and I would not hesitate to recommend Deal Direct Blinds to anyone in the future and will happily use them again in the future.

Kind Regards
