

ZARA RESIDENTIAL

4th October 2011

After having problems with a particularly well known blind company that we had used for a long time we started using Deal Direct Blinds after someone we knew recommended them. We have now used their services for over a year now and have found them to be very competitive, very reliable and also a pleasure to deal with.

Due to the fast paced nature of property management at times, it is very important for us to be able to call upon such a company to work on our portfolio that we know can get the job done and in the timeframes given. With previous companies we wasted precious time chasing errant estimators and fitters.

Their customer service and general communication has also been excellent over this time. Our tenants have been very happy with the quality of the blinds that are installed as well as the professional behaviour of their members of staff when working in our properties.

I would have no hesitation recommending Deal Direct to any person interested in using their services.
